

# Sunny (Houcemate Remix) | TRAP IS MY DRUG

## Boney M.

Sunny, yesterday my life was filled with rain  
Sunny, you smiled at me and really eased the pain  
The dark days are gone, and the bright days are here,  
    My Sunny one shines so sincere  
Sunny one so true, I love youSunny, thank you for the sunshine bouquet  
    Sunny, thank you for the love you brought my way  
        You gave to me your all and all  
            Now I feel ten feet tall  
Sunny one so true, I love youSunny, thank you for the truth you let me see  
    Sunny, thank you for the facts from A to C  
        My life was torn like a windblown sand,  
        And the rock was formed when you held my hand  
    Sunny one so true, I love youSunny  
        Sunny, thank you for the smile upon your face  
        Sunny, thank you for the gleam that shows its grace  
            You're my spark of nature's fire,  
                You're my sweet complete desire  
Sunny one so true, I love youSunny, yesterday my life was filled with rain  
    Sunny, you smiled at me and really eased the pain  
The dark days are gone, and the bright days are here,  
    My Sunny one shines so sincere  
Sunny one so true, I love youI love you  
    I love you  
    I love you  
    I love you
