Merrymaking At My Place

Calvin Harris

Merrymaking, drug taking,
at my place, baby, at my place
merrymaking,

Come in to my house,
youâ€™re invited into my house,
entering the back of my house,
welcoming you into my house,

Iâ€™ve invited loads to my house,
loads of people come to my house,
they take stuff inside of my house,
and smoke stuff outside of my house,

Merrymaking, drug taking,
at my place, baby, at my place
merrymaking,

Iâ€™ve seen them before,
lots of people at my front door,
lots of people in my front door,
trying to get into my house,
Iâ€™ve seen them before,
lots of people in my front door,
lots of people at my front door,
trying to get into my house,

Merrymaking, drug taking,
at my place, baby, at my place
merrymaking,

Weâ€™re merrymaking,
all the stuff that youâ€™ve been taking,
all the stuff that iâ€™ve been taking,
all the stuff that weâ€™ve been taking,
Weâ€™re merrymaking, all the stuff that weâ€™ve been taking,
all the stuff that iâ€™ve been taking,
all the stuff that youâ€™ve been taking,

Merrymaking, drug taking,

at my place, baby, at my place
