Release Me (Nils Van Zandt Remix Version Longue)

Agnes

Release me , release my body.
I know it's wrong, So why am I with you now.
I say release me, Cause I'm not able to
Convince myself
That I'm better off without you.Yeah, it's perfectly clear
That love's not what you need
I tell you I don't care
But I don't want to
Anything that you say
I hear myself agree
And I don't recognize
What I've turned into,I don't know why I want you so
'Cause I don't need the heart break
I don't know what addictive hold
You have on me I can't shake
No, I'm not in control
So let me goRelease me
Release my body
I know it's wrong
So why do I keep coming back
I say release me
'Cause I'm not able to
Convince myself
That I'm better off without youI could sleep by myself
I would burn me alive
Find me somebody else
But I don't want to
Try to leave out the love
That goes against the grain
But I can rationalize it
If I have toI don't know why I want you so
'Cause I don't need the heart break
I don't know what addictive hold
You have on me I can't shake
No, I'm not in control
So let me goRelease me
Release my body
I know it's wrong
So why do I keep coming back

I say release me
'Cause I'm not able to
Convince myself
That I'm better off without youI'm not in control
So let me goRelease me
Release my body
I know it's wrong
So why do I keep coming back
I say release me
'Cause I'm not able to
Convince myself
That I'm better off without youRelease me
Release my body
I know it's wrong
So why do I keep coming back
I say release me
'Cause I'm not able to
Convince myself
That I'm better off without you
