Flood The Block

Mobb Deep

Yeah, yeah, yeah
All day baby, all day[Chorus:]
I'ma flood the block block, with all that shit
I'ma flood the block block, with all that shit
I'ma flood the block block, with all that shit
I'ma flood the block block, with all that shitYou know my story, you can feel me, you know how I get down
I'm bout the money, I been at it for a little while
Never put the metal down
Hunger never satisfy, billion dollar Snicker bar
And once I settle down, pre-nup to the lucky broadA Bentley Coupe, a bless in the backseat
First day, once they hand over them keys
Couple of G's, I'm trickin' on the watermelon trees
So high, so stuck, like Jay's Rucker teamOn the bus no diss f'real stuck
Just countin' that, money and still visit my niggaz on the Island
The money mountain I climb it, it won't stop
My money too dirty to ever go pop
It's a lot, you could do with a fifty ( )watch
Steadily, eliminate, competition and flood
That block with the primo, 'cause the trunkilo
Not for too long, gotta stay on top of your people[Chorus: Repeat 2X]It don't matter if it's the winter or summertime
I got the mac in my pants
Make niggaz do that dance, they fuck with mines
It always come a time, when it's time to flipYou only flippin' when you hit by a gun of mines
You broke and you want to shine, you in a dollar van
I'm in a oh-five G-55
That girl you with's a friend of mine, I hope that's not yo' wife
You wouldn't do that if you seen the bitch other sideWe ain't got time for peasants, the streets need our presence
They not gettin' fed from them other guys
We in the hood like drugs, if we ain't out on tour
With Mobb Deep written on the headline
While y'all poppin' all that lip
We does what y'all talk and more of that kid
Unfold one of my knots, it look like a brick
We'll never go broke, while you sit and bitch[Chorus: Repeat 2X]
