Killing for Jesus

Circle Jerks

All across the world
The holy armies on a tear
Ripping through the planet's faiths
Population's running scared
Christianity's all around
Zealots they abound
I wanna blow them to pieces
Cause I...I'm[Chorus:]
Killing For Jesus
Killing For JesusWith god on my side
The holy armies gonna ride
Go on a rampage
To rape, plunder and pillage
Insanity's everywhere
Must be something in the air
I wanna blow them to pieces
cause I...I'm[Chorus]I'm never bored
When I'm killing for the lord
Now I've seen the light
Hail Mary! I've got Jesus on my side!Insanity's everywhere
Must be something in the air
I wanna blow them to pieces
cause I...I'm[Chorus]
