

# Having a Blast

## Green Day

I'm taking all you down with me  
Explosive duct taped to my spine, nothing's gonna change my mind  
I won't listen to anyone's last words  
There's nothin' left for you to say, soon, you'll be dead anyway Well, no one here is getting out alive  
This time I've really lost my mind and I don't care  
So close your eyes and kiss yourself goodbye  
And think about the times you spent and what they've meant To me it's nothing  
To me it's nothing  
To me it's nothing  
To me it's nothing I'm losing all my happiness  
The happiness you pinned on me, my loneliness still comforts me  
My anger dwells inside of me  
I'm taking it all out on you and all the shit you put me through Well, no one here is getting out alive  
This time I've really lost my mind and I don't care  
So close your eyes and kiss yourself goodbye  
And think about the times you spent and what they've been To me it's nothing  
To me it's nothing  
To me it's nothing  
'Cause to me it's nothing Do you ever think back to another time?  
Does it bring you so down that you thought you lost your mind?  
Do you ever want to lead a long trail of destruction  
And mow down any bullshit that confronts you ?  
Do you ever build up all the small things in your head  
To make one problem that adds up to nothing? To me it's nothing  
To me it's nothing  
To me it's nothing
