Devil Dwells In Details

Last Heart Attack

You're growing up you know
You're deeply insecure
You're not the only one
Who lives his life in this wayYou use exhilarating gas
To chew and swallow all details
Your daily dose of indifference
Could make you live or fall apart!You do what you want
Don't forget it!
Life is not a gift
You must get ready!
Maybe you should know
Don't forget it
It could have some riftYou're sleeping on your dreams
No one will wake you up
In this sea of opportunities
You can't ride all the waves if
