

I'll Always Love You

Michael Johnson

Standin' by my window,
List'nin for your call;
Seems I really miss you after all.Refrain
Time won't let me
Decide thoughts to myself
I'd just like to let you know
I wish I'd never let you go.Chorus
And I'll always love you
Deep inside this heart of mine.
I do love you.
And I'll always need/love you.
And if you ever change your mind
I'll still, I will love you.Wish you'd never left me,
But love's a mystery;
You can break a heart so easily,Refrain
The days and nights we knew
How much I feel for you.
Time has come for me to see
How much your love has meant to me.Time, like a river, keeps on rollin' right on by;
Nothin' left for me to do,
So I watch the river rise.Chorus
And I'll always love you
Deep inside this heart of mine.
I do love you.
And I'll always need you.
And if you ever change your mind
I'll still, I will.I'll still, I will love you.
