Unto Others

At the Gates

You hold high the banner
Of self-deceit
Encaged in the dogmas of life
You join the eliteMy Judas-windows stay shut
Shut forever more
My Judas-windows stay shut
Shut forever moreYou mock the weak
For not giving you their trust
In your world of make believe
Where statues, where statues turn to dustMy Judas-windows stay shut
Shut forever more
My Judas-windows stay shut
Shut forever moreYou walk, through what is me
Stare blind cannot see
Your thoughts flee to a different land
They are free but you are boundSilenced forever
The walls are closing in
The keys to our
Damnation burial, burial withinMy Judas-windows stay shut
Shut forever more
My Judas-windows stay shut
Shut forever moreShut forever more
