Unto Others

At the Gates

You hold high the banner Of self-deceit Encaged in the dogmas of life You join the eliteMy Judas-windows stay shut Shut forever more My Judas-windows stay shut Shut forever moreYou mock the weak For not giving you their trust In your world of make believe Where statues, where statues turn to dustMy Judas-windows stay shut Shut forever more My Judas-windows stay shut Shut forever moreYou walk, through what is me Stare blind cannot see Your thoughts flee to a different land They are free but you are boundSilenced forever The walls are closing in The keys to our Damnation burial, burial withinMy Judas-windows stay shut Shut forever more My Judas-windows stay shut Shut forever moreShut forever more
