

# Pretty Young Thing

## B2K

Uh, yeah, yo  
Check it out  
It's B2K  
Uh, what  
Platinum status  
Uh, she's a pretty young thing  
Uh, uh a pretty young thing  
What, uh

She put it down  
She put the thing on me  
Without a doubt  
I know that she's wifey  
Workin' it out  
Makin' me feel freaky  
But I don't mind  
She's all I need

Makin' her moves  
Keepin' a brother thinkin'  
I do the same  
Keepin' her ass feein'  
See you know my name  
Ain't no replacin' me  
'Cause I'm a man  
And I'm all she needs

Pretty young thing  
You give me lovin'  
While them other girls  
Out there buggin'  
You keep it comin'  
Pretty young thing

So understandin'  
You never need another man and  
Without you my life  
I'm planin'  
'Cause through the rain  
You're still my

Pretty young thing

She put it down  
She put the thing on me  
Without a doubt  
I know that she's wifey  
Workin' it out  
Makin' me feel freaky  
But I don't mind  
She's all I need

Makin' her moves  
Keepin' a brother thinkin'  
I do the same  
Keepin' her ass feein'  
See you know my name  
Ain't no replacin' me  
'Cause I'm a man  
And I'm all she needs

I love girls screamin' my name  
While I'm spittin' this game  
It's hard to maintain  
Doin' 100 in a slow lane  
Seein' chicks go insane  
In the membrane  
But through all of this  
Ma you never changed

Still act vain  
Still the same plain Jane  
Never think I'm cheatin'  
When my phone is outta range  
These other girls is lame  
They're not on the same page  
Don't believe you're friends  
You're still my  
Pretty young thing

Yeah, uh  
You know how we do  
Uh, this is album number two  
Uh, pandemonium  
I'm a say it again

We focused man

No negative energy

On this album

All positive energy

Yeah, uh

Take that

Take that

And I'm out
