April Love

idesia

Don't need words
Just let the candles burn tonight
Lift me up like smoke
When you're doing it rightSun climbs slow
As velvet kisses whisper quick and light
Touch so soft
Sends shivers up and down my spineYou want me
Come please me
You need me
You got me comin back for moreWake up lazy love
Sun's shining bright
Wake up lazy love
We'll shine so brightScent of goodbye
Still lingers on my skin
Looking back twice
Remember all the love last night
So we can let the days pass byYou want me
Come please me
You need me
You got me comin back for more
