

# Made Of

## Coco Jones

(Intro)

You can do your thang if you want  
Jump around this act fool if you want  
You can do your thang if you want(Verse)  
Turn it, turn it up

Beat it through your speakers you can come and follow us  
And you, you can bring your crew  
Watch me while I get it I'ma show you something new(Pre-Chorus)

Take it to the left and move it to the right  
Ye I like that, ye I know you like that  
I'ma break it down let me see you break it down  
Ye I like that ye I know you like that

We gonna dance into the night  
Party until we see the sun light  
Don't it make you feel so right  
Just do your thang girl,(Chorus)  
Just lose yourself and let it go,  
Countdown begins put on a show,  
When you show me what you're made of  
When you show me what you're made of  
When you show me what you show me what you  
When you show me what you're made of  
Do your thang girl won't you do your thang(Verse)

You, standing on the wall  
I can see you jealous you see us having a ball  
Come rose, so do what you do  
About to break it down I need to come out of my shoes(Pre-Chorus)

Take it to the left and move it to the right  
Ye I like that, ye I know you like that  
I'ma break it down let me see you break it down  
Ye I like that ye I know you like that

We gonna dance into the night  
Party until we see the sun light  
Don't it make you feel so right  
Just do your thang girl,(Chorus)  
Just lose yourself and let it go,  
Countdown begins put on a show,  
When you show me what you're made of  
When you show me what you're made of

When you show me what you show me what you  
When you show me what you're made of  
Do your thang girl won't you do your thang(Verse)  
I'ma set it off on fire  
Boy, you got anymore  
3, 2 is that all you can do  
1, 1 let's all have some fun  
Call me solar flare baby I be shining like the sun You can do your thang if you want  
Jump around this act fool if you want  
You can do your thang if you want  
Come on won't you let it go(Chorus)  
Just lose yourself and let it go,  
Countdown begins put on a show,  
When you show me what you're made of  
When you show me what you're made of  
When you show me what you show me what you  
When you show me what you're made of  
Do your thang girl what you do your thang
