

This Charming Man

Death Cab for Cutie

On two bicycles
On a hillside desolate
Could nature make a man of me yet? Under this charming calm
This charming man Why ponder life's complexities
When the leather runs smooth
On the passenger seat? I would go out tonight
But I haven't got a stitch to wear
This man said it's crucial
That someone so handsome should care I'm just a country boy
Who never knew his place
He said return the ring
He knows so much about these things
He knows so much about these things I would go out tonight
But I haven't got a stitch to wear
This man said it's crucial
That someone so handsome should care La, la-la, la-la, la-la, this charming man
La, la-la, la-la, la-la, this charming man I'm just a country boy
Who never knew his place
He said return the ring
He knows so much about these things
He knows so much about these things
