Perfect View

Ufo

My sweet darling night
How the city swings
A little kiss of angels
A little tune of things
And she mesmerizes, captivates
A message for a heart that aches
Now you are sixteen
And you're stuck in jail
Eighteen plus
There's no sign of bail
And she mesmerizes, captivates
A message for a heart that aches
My thousand dollars ain't going nowhere
And the revelations kiss, tell and dare
I've got a perfect view of what I want to do
I've got a perfect view
Am I getting through to you?
Twenty one is easy
But I don't know, why?
There's no difference
This bird will fly
My thousand dollars ain't going nowhere
And the revelations kiss, tell and dare
I've got a perfect view of what I want to do
Yes, a perfect view
Am I getting through to you?
And she mesmerizes, captivates
A message for a heart that aches
My sweet darling night
How the city swings
A little kiss of angels
A little tune of things
My thousand dollars ain't going nowhere
And the revelations kiss, tell and dare
I've got a perfect view of what I want to do
Yes, a perfect view
Am I getting through to you?
I've got a perfect view of what I really want to do
Was a perfect view

Am I getting through to you?
Perfect view
I've got a perfect view
Perfect view
