

Sensible

Kitten

I made a mistake, but I don't know where.
I made a mistake, but I don't know where.
I'm just trying to be sensible.
I'm just trying to be sensible.I made a mistake, but I don't know where.
I made a mistake, but I don't know where.
I'm just trying to be sensible.
I'm just trying to be sensible.I'd like to see you when you're crying,
Sick words, an absence when confiding.
Blue light, shares the night, we're shining.
We're shining.I made a mistake, but I don't know where.
I made a mistake, but I don't know where.
I'm just trying to be sensible.
I'm just trying to be sensible.I wasn't ready for the crying,
I wasn't certain my trespass.
All of those midnight boys were lying.
Oh, please don't force this thing to last.I made a mistake, but I ain't going nowhere,
I made a mistake, but I ain't going nowhere,
I'm just trying to be sensible,
I'm just trying to be sensible.
