Aquarius

Plumtree

I used to think
Things a little differently
Used to think
I'd never find someone like me
Used to wonder
About everything
Under the sea
And 'bout changes
Perhaps you can see
See
See
See
See
SeeI'm like a bug laying on its back
I try to move but i'm stuck fast
I lay there wondering why someone
Won't just push me over
Over
Over
Over
I wore your sweater so
I could pretend you were there
But i got sadder
So sad I didn't care
If i had supper or practiced my guitar
I know it's stupid
But like you said before
I didn't care
I didn't care
I didn't care
