

I'll Keep On Believin' (Do You Know)

Y&T

Do you know what you're doin' to me?
Do you know I can't set you free?
Do you know that at night I just ain't sleepin'? Do you know I can't take anymore?
Do you know what I'm livin' for?
Do you know that you're all I have worth keepin'? You're sayin' that it's over
I got a feelin' you don't know
What you're losin', oh baby Do you know you're in every dream I dream?
Like a picture of a face in a magazine
You don't know that I've tried so hard to forget you I think about the love we made
And I wonder if I'll ever find another
Oh, another girl like you
I'm cryin' through the lonely days
But baby, through the lonely nights I'll keep on believin'
I won't let our love slip away
I gotta keep believin'
That baby, you'll be comin' back
Comin' back to stay When you're lyin' in a stranger's arms
You're gonna wish you were with me
Oh, and that's when you'll remember
And when you have a change of heart
Baby, you know where I'll be So, I'll keep on believin'
And I won't let our love slip away
I gotta keep believin'
That baby, you'll be comin' back
Comin' back to stay I'll keep on believin'
I won't let our love slip away
I gotta keep believin'
That baby, you'll be comin' back
Comin' back to stay I'll keep on believin'
I won't let our love slip away
I gotta keep believin'
