

Infatuation (With Your Gyration)

The Magnetic Fields

Infatuation
With your gyration
That's my fixation, I'm infatuated with you
Infatuated with you [(infatuated with)]Thumping to the thumping
Jumping to the pumping
Leaping to the beeping
Thing on the dance floorThumping to the thumping
Jumping to the pumping
Leaping to the beeping
Thing on the dance floorInfatuation
With your gyration
That's my fixation, I'm infatuated with you
Infatuated with you [(infatuated with)]Infatuation
With your gyration
That's my sensation, I'm infatuated with you
Infatuated with you [(infatuated with)]Thumping to the thumping
Jumping to the pumping
Leaping to the beeping
Thing on the dance floorThumping to the thumping
Jumping to the pumping
Leaping to the beeping
Thing on the dance floorInfatuation
With your gyration
That's my fixation, I'm infatuated with you
Infatuated with you [(infatuated with)]Infatuation
