Someday

Shivaree

Someday
You'll want me like I want you
But I'll be gone
With somebody new
Someday
You will cry the way I did
You'll hang your head
But tears can't be heard
You walk the floor day and night
Not a thing will be going right
You nerves leave you in despair
You'll be pulling it out your hair
Someday
Love will get you down your feet
You're going to suffer
For what you've done to me
