

# White Lie

## The Lumineers

As a kid, my hands were red  
When you asked me I denied it  
I've told lies that never came true  
And I have stolen and so have you If we can make it through another day  
With you believing in my innocence  
And we can make it through another year  
'Cause we both need it to forget this fear If it's all the same to you  
Then it's just a little white lie  
Then it's all the same to me  
And it's just a little white lie  
If I was to blame would you?  
Would you still believe? I don't want you to forget  
Just pretend that it never happened  
And it's just a little white lie  
And it's just a little white lie If it's all the same to you  
Then it's just a little white lie  
Then it's all the same to me  
And it's just a little white lie  
If I was to blame would you?  
Would you still believe? If I was a thief?
