

# Official Girl (feat Lil Wayne)

Cassie

Ah  
Danja and the Clutch  
I miss you girl  
I miss you girl  
I'ma make you my official girl

Listen, today makes it a year  
Don't you think it's time that you made it clear  
You gotta get on your biz  
Tell me what it ain't or what it is  
I can handle it  
I've had it up to here  
I don't wanna pressure you dear  
I've sent back to back dudes  
Away from my door  
Thinking I was looking for  
Not anymore

Chorus:  
And I'm tired  
I'm tired  
I'm tired  
Of being your unofficial girl  
Unofficial girl  
And I'm tired  
I'm tired of trying  
I'm still your unofficial girl  
You gotta love me in the light and the dark  
You gotta give me, give me  
All of your heart  
I wanna be your official girl  
Said I wanna wanna wanna be your  
Official girl  
I wanna be your official girl  
I wanna be your official girl  
Official girl

If you keep this up  
There's bound to be a mess

I ain't really like the rest  
Put to the test  
I could surely pass  
You better do the math  
I'm so stylish  
So bossy  
It'd be a shame to say you lost me  
But if you want that  
It's a wrap  
And I won't look back  
(No I won't look back)

Chorus

I miss you girl  
I miss you girl  
I'ma make you my official girl  
You better act right  
I'm two seconds from being out the door  
I miss you girl  
I miss you girl  
I'ma make you my official girl  
Said I won't be with you  
Unofficially anymore  
And I can't make you choose  
Long as you're cool on knowing  
You're bout to blow a good thing  
And I ain't making ultimatums  
I'ma tell you this forbade 'em

Chorus

I miss you girl  
I miss you girl  
I'ma make you my official girl
