## Murphy Lee

This is Cadillac Mack  
Seville Appeal  
Luv rollin' the L doggs  
9 papers  
Ayyo, I'm laid back and humble, yeah, I'm cool wit it  
Kinda hungry, give me a salad and a soup wit it  
Ain't no need for extra rolls, Sue comes wit it  
Baby, girl behind the counter lookin' cool wit  
She got a fat ass, I know I went to school wit it  
She was the type that said I wouldn't know what to do wit it  
I kick that Willie Bo Bo aqua suit wit it, went trough wit it  
Got her number, she ain't it so I'm through wit it  
I let Pooh hit it, he let the crew hit it  
Hold on lil' Derrty, for two minutes  
I think I left my herb man I ain't cool wit it  
Murph Derrt say he got me now I'm cool wit it  
I make a lotta dough, pay a lotta pay dues wit it  
Pimpin' already, now I got the juice in it  
I got the gray Vokal wit the blue in it  
Loose, new, blue, fitted, I'm so cool wit it

I said damn it's kinda early but I'm cool wit it  
I had a message on my celly I'm like who did it?  
Turns out, it was this chick I'd like to 'Ooh' wit it

Now I'm tryin' to figure out if I'ma fool wit it  
She used to be the cheerleader type, school spirit  
You know the pom-poms, back flips, split wit it  
I know a lot of niggaz tried but they didn't get it  
Or maybe they had the game they just didn't spit it  
Or they won't admit it, 'cuz they carry too much pride in it  
I like to slide in it, flip it and dip it and take a ride in it  
Hide in it, might flight glide in it  
You know I did it, 'cuz I'm cool wit it  
A lot of niggaz talkin' shit but I'm cool wit it  
Walk in a party, lotta gawkin' but I'm cool wit it  
Look outside, see what I'm parkin'? you can't fool wit it  
Not at all, you can't fool wit none of that young mate  
Why is you trippin of the 24 Escalade  
Powdered baby blue wit the Gucci Lou interior  
A-ha, slide on young playa  
Just be cool wit yo losses, a-ha, Pimp Juice

So in other words Derrty don't be a fool wit it  
He said don't wind up in the motherfuckin' news wit it  
And help the family when you can and they cool wit it
