

# Good To You (ft Jessica Lee)

## Marianas Trench

Everyone's around, no words are coming now  
And I can't find my breath, can we just say the rest with no sound?  
And I know this isn't enough, I still don't measure up  
And I'm not prepared; sorry is never there when you need it  
And I do want you know I'll hold you up above everyone  
And I do want you know I think that you'd be good to me  
And I'd be so good to you  
I would  
I thought I saw a sign somewhere between the lines  
Maybe it's me, maybe I only see what I want  
But I still have your letter  
just got caught between someone I just invented,  
Who I am really am and who I've become  
And I do want you know I'll hold you up above everyone  
And I do want you know I think you'd be good to me  
And I'd be so good to you  
I can't be without you  
I would  
And I do want you know I'll hold you up above everyone  
And I do want you know I think you'd be good to me  
And I'd be so good to you  
I'd be good to you, I'd be so good to you  
I'd be good to you, I'd be good to you  
I'd be good to you, I'd be so good to you
