She's All I Ever Had

Jon Secada

Here I am. Broken wings, quiet thoughts, unspoken dreams
Here I am. Alone again and I need her now to hold my handShe's all, she's all I ever had
She's the air I breathe
She's all, she's all I ever hadIt's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
And when I look into her eyes
It's the way I feel inside
Like the man I want to be
She's all I ever need
So much time, so much pain, but there's one thing that still remains
It's the, the way she cared the love we shared
And through it all she's always been thereShe's all, she's all I ever had
In a world so cold, so empty
She's all, she's all I ever hadIt's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
And when I look into her eyes
It's the way I feel inside
Like the man I want to be
She's all I ever need
She's all, she's all I ever had
It's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
And when I look into her eyes
It's the way I feel inside
Like the man I want to be
She's all I ever needShe's all I ever need
When I look into her eyes
It's the way I feel inside
Like the man I wanna be
She's all I ever need
Here I am
