

# JUST STAND UP!

## Artists Stand Up To Cancer, Mariah, Beyoncé, Mary

The heart is stronger than you think  
It's like it can go through anything  
And even when you think it can't it finds a way to still push on, though Sometimes you want to run away  
Ain't got the patience for the pain  
And if you don't believe it look into  
your heart the beat goes on I'm tellin' you that  
Things get better  
Through whatever  
If you fall, dust it off, don't let up Don't you know you can go be your own miracle You need to know If the mind  
keeps thinking you've had enough  
But the heart keeps telling you don't give up  
Who are we to be  
questioning, wondering what is what  
Don't give up  
THROUGH IT ALL, JUST STAND UP! It's like we all have better days  
Problems getting all up in your face Just because you go through it Don't mean it got to take control, no You ain't  
gotta find no hiding place Because the heart can beat the hate Don't wanna let your mind keep playin' you And  
sayin' you can't go on I'm tellin' you that Things get better  
Through whatever If you fall Dust it off, don't let up  
Don't you know you Can go Be your own Miracle You need to know If the mind keeps thinking you've had enough  
But the heart keeps telling you don't give up Who are we to be  
questioning, wondering what is what  
Don't give up  
THROUGH IT ALL, JUST STAND UP! You don't gotta be a prisoner in your mind If you fall, dust it off You  
can live your life Yeah Let your heart be your guide Yeah yeah yeah And you will know that you're good if you  
trust in the good Everything will be alright, yeah  
Light up the dark, if you follow your heart  
And it will get better Through whatever If the mind keeps thinking you've had enough  
But the heart keeps telling you don't give up Who are we to be  
questioning, wondering what is what  
Don't give up  
THROUGH IT ALL, JUST STAND UP! If the mind keeps thinking you've had enough  
But the heart keeps telling you don't give up Who are we to be  
questioning, wondering what is what  
Don't give up Don't give up THROUGH IT ALL, JUST STAND UP! You got it in you, find it within  
You got it in now, find it within now  
You got it in you, find it within  
You got it in now, find it within now  
You got it in you, find it within

You got it in now, find it within now  
Find it within you, find it within  
Everyone: THROUGH IT ALL, JUST STAND UP!
