

# Light a Candle In the Chapel

Frank Sinatra

Light a candle in the chapel  
At the closing of each day  
Keep it burning while you're yearning  
For the one who went away Say a prayer and ask the angel  
To guide and to watch from above  
Light a candle in the chapel  
For the one you love Say a prayer and ask the angel  
To guide and to watch from above  
Light a candle in the chapel  
For the one you love
