

You Don't Know Me

[Susie Arioli](#)

You give your hand to me, and then you say hello
And I can hardly speak, my heart is beating so
And anyone can tell, you think you know me well
But you don't know me..No, you don't know the one who dreams of you at night
And longs to kiss your lips, and longs to hold you tight
I'm just afraid, that's all i've ever been
'cause you don't know me..For I, never knew the art of making love,
though my heart's filled with love for you
Afraid and shy, I let my chance go by
The chance that you might love me tooYou give your hand to me, and then you say goodbye
I watch you walk away, beside that lucky girl
You'll never know, the one who loves you so
'cause you don't know me..You give your hand to me, and then you say goodbye
I watch you walk away, beside that lucky girl
You'll never never know, the one who loves you so
'cause you don't know me..
