

# Over the Rainbow

## Aretha Franklin & The Ray Bryant Combo

Somewhere  
Over the rainbow  
Way up high  
There's a land  
That I heard of once  
In a lullaby Somewhere  
Over the rainbow  
Skies are blue  
And those dreams  
That you dared to dream  
They really do come true  
Someday I'll wish upon a star  
And I'll wake  
Where the clouds are far behind me  
Oh yes  
Where troubles melt  
Like lemon drops  
Away above the chimney tops  
That's where you'll find me  
Gonna be somewhere  
Over the rainbow  
Where pretty little blue birds fly  
Birds fly over the rainbow  
Why, then oh why  
Can't I?
