

On The Hunt (Live (Bill Graham's Winterland))

Lynyrd Skynyrd

I said baby mama, I don't know your name
But I said baby, sugar I can play your game
Every night when we leave the hall
I see you hanging around
You want to ride in my big black car baby
Want to go uptown[Chorus:]
I know who you are baby
I know what they call you girl
Never put you down baby
I'm just like you baby, I'm on the hunt I know lady
People gonna talk about you and me
Let me say one thing mama, sugar I do as I please
And if you want to love me baby, I'm your man
And all those high-falutin' society people
I don't care if they don't understand[Chorus]
