

# Robin Hood

[MC Orelha](#)

One, just one and then I'll go  
And though it's on the cards that an argument is imminent i know  
But it's not like I get carried home  
It's just that I believe that she don't think I think of her when I'm on my own  
So...

Don't think that I don't be, I'll mess with the T.V  
Your so dear to me, but sometimes i like to lose control

Just one more, I promise, then I'll go  
And I don't want to see that I have you screaming down the phone  
You should know, the only one I know  
That'll make me laugh with the little things they do is you, and only you alone  
So...

Don't think that I might be thinking that I might leave  
Your so dear to me, but sometimes i like to lose control

Don't think that I don't be, I'll mess with the T.V  
Your so dear to me, but sometimes i like it on my own

But my heart stays at home!
