Baby, Don't You Break My Heart Slow

Vonda Shepard

I like the way you wanted me
Every night for so long baby
And I like the way you needed me
Every time things got rockyI was believing in you
Was I mistaken do you say
Do you say what you mean?
I want our love to last foreverBut I'd rather you be mean than love and lie
I'd rather hear the truth and have to say goodbye
I'd rather take a blow at least then I would know
But baby don't you break my heart slowI like the way you'd hold me
Every night for so long baby
I like the way you'd say my name
In the middle of the night while you were sleepingI was believing in you
Was I mistaken do you mean
Do you mean what you say?
When you say our love could last foreverBut I'd rather you be mean than love and lie
I'd rather hear the truth and have to say goodbye
I'd rather take a blow at least then I would know
But baby don't you break my heart slow, noYou would run around and lead me on forever
While I wait at home still thinkin', we're together
I wanted our love to last forever
Oh yeahI was believing in you
I'd rather you be mean than love and lie
I'd rather hear the truth and have to say goodbye
I'd rather take a blow at least then I would know
But baby don't you break my heart slow, noDon't love and lie
I'd rather hear the truth and have to say goodbye
I'd rather take a blow at least then I would know
But baby don't you break my heart slow
Baby don't you break my heart slow
