Sucker's Shangri-La

Lower Dens

A false heaven has touched down
This is a sucker's Shangri-La no doubt
Are you going to be crestfallen?
A mark
Playing a gameI fear your hand
The devil in me wants to know
So I askOh ohIs your time running out?
Your family fortune
Going up in flames
Child
This is not what you've been waiting for
They fooled you
Wanting to believe
It's a perfect reason
To wave goodbyeYou can't even escape its shadow
You can't escape crying over photographsIt doesn't help that he can see you coming
And he knows how to break you like an animalYou writhe just like a worm
Because you are accursedOh ohJust let me lay here
While I vacillate
Do I bend?
Are we bound together evermore?
That's just how it is
Out to sea without an oarDrifting off again
With the sirens sounding
Wave goodbye
