

Push Play (feat. Miriam Bryant) [iTunes Session]

[Zedd](#)

With my words, across your face,
You're making up stories of your own.
Little bits of white paper,
In pockets deeper than you know. You painted black upon the whitest lies
You've seen them fall, you have seen them rise,
You painted black upon the whitest lies, lies, your lies. Push play, stop rewind
You drown your heroes in red wine.
Push play, stop rewind,
You drown your heroes in red wine.
Push play, stop rewind
You drown your heroes in red wine.
Push play, stop rewind. You painted black upon the whitest lies
You've seen them fall, you have seen them rise,
You painted black upon the whitest lies, lies, your lies. Push play, stop rewind
You drown your heroes in red wine.
Push play, stop rewind,
You drown your heroes in red wine. Close enough to see your hands sneaking out of his embrace
Paper thin, whispering, breaking in
You painted black upon the whitest lies
You've seen them fall, you have seen them rise,
You painted black upon the whitest lies, lies, your lies. Push play, stop rewind
You drown your heroes in red wine.
Push play, stop rewind,
You drown your heroes in red wine. Push play, stop rewind
You drown your heroes in red wine.
Push play, stop rewind,
You drown your heroes in red wine. Push play, stop rewind
Push play, stop rewind
You drown your heroes in red wine.
Push play, stop rewind
