One Shot

The Romantic Era

Verse 1:
Hey, Hey
Just maybe if you were feeling me too
I'd treat you right, I'd do anything for you
I'd jump in with the bears
I'd put flowers in your room
I'd write you a stupid song, and sing it for the schoolYa I'd do anything for you
To, look at me
The way, I look at you
Ya I'd do anything for you
To, look at me
The way, I look at you
Chorus:
But, Your up, up, up in the sky
Like a shooting star
You aint never coming down baby
One shot of your love
Takes me to paradiseI'll never let go
Up in the sky
I'll never let go
Of a shooting start
I'll never let go, I'll never let go, I'll never let goVerse 2:
I'm just making sure you know that
I'm crazy about you
I don't care if they laugh
Like I did'nt break all the rules
I fought off all the bears
Did you like the daisies in your room
I saw you smiling at your song
I hope you fall into
Ya I'd do anything for you
To, look at me
The way, I look at you
Ya I'd do anything for you
To, look at me
The way, I look at youChorus:
But, Your up, up, up in the sky
Like a shooting star
You aint never coming down baby

One shot of your love
Takes me to paradise
I'll never let go
Up in the sky
I'll never let go
Of a shooting start
I'll never let go, I'll never let go, I'll never let goVarCity:
Yea, Up, Up and away
Up, up and away
It's lift off baby
Lets get gone all day
I be blown all day
Just thinking about you
One shot of your love I'm straight
Girl I can't live without you
And I pray to god you feel the same way
Maybe we can go half on the baby
I know dudes in the past been shady
I'm going to treat you right, there's no faking
Given the chance I'm going take
Baby girl, I promise we gonna make it
So, can you be my lady
One shot of your love will have me crazyChorus:
Up, up, up in the sky
Like a shooting star
You aint never coming down baby
One shot of your love
Takes me to paradise
I'll never let go
Up in the sky
I'll never let go
Of a shooting start
I'll never let go, I'll never let go, I'll never let go
