

# The Traveller

## A Flock of Seagulls

I am a traveller  
And I'm arriving  
In a new place  
With a new face So don't stop, stop, stop, stop, stop, stop  
Don't look behind you  
You don't stop, stop, stop, stop, stop, stop  
They'll never find you I am a traveller  
Across the ocean  
I wanna get there  
I wanna swim in your emotion So don't stop, stop, stop, stop, stop, stop  
Don't look behind you  
You don't stop, stop, stop, stop, stop, stop  
They'll never find you I am the traveller  
Across a million miles of open  
I wanna get there  
I wanna swim in your emotion I won't stop, stop, stop, stop, stop, stop  
Won't look behind you  
They won't stop, stop, stop, stop, stop, stop  
Until they find you I am a traveller  
I am a traveller  
I am a traveller  
I am a traveller  
Traveller, traveller
