

Love Her

The Walker Brothers

Love her, and tell her each day
That girl needs to know, tell her so
Tell her everything I couldn't say
Like she's warm, and she's sweet, and she's fine

Whoah, love her
Like I should have done

And hold her, and show her you care
When her world is blue, see her through
Any time that she needs you, be there
By her side, be the guy, that I couldn't be

And love her
Like I should have done

Please, love her
Love her for me

Hold her, and show her you care
When her world is blue, see her through
Any time that she needs you, be there
By her side, be the guy, that I couldn't be

And love her
Yeah, come on
Love her
Love her for me
