

# Big Sunglasses

## Dragonette

(Big sunglasses-es-es-es-es-es-es-es)  
(Big sun, big sun, big sunglasses)

I never got that particular feeling  
Iâ€™m doing better now than how Iâ€™ve been  
Then again I never really ever get anything right

Iâ€™ve got a scab that I canâ€™t stop picking  
Things that I thought Iâ€™d forgotten  
Things that I thought got better over night  
So whatâ€™s shaking, a complication

I thought by now Iâ€™d be 5â€™11  
Iâ€™d be hanging out with the top banana  
Executive access to upper classes  
Run and get me some of them big sunglasses

Better gather up what I left for dead  
All the pieces needed in a level head  
All the information that Iâ€™ve taken down all on my own

So if you think you saw me getting by  
I was only lost in another life  
And now Iâ€™m racing back to where I came from, I got nothing to show  
Whatâ€™s shaking, a complication

I thought by now Iâ€™d be 5â€™11  
Iâ€™d be hanging out with the top banana  
Executive access to upper classes  
Run and get me some of them big sunglasses

I thought by now  
Iâ€™d be 5â€™11  
Iâ€™d be hanging out  
With the top banana  
Executive access to upper classes  
Run and get me some of them big sunglasses

Iâ€™ve got a little left, Iâ€™ve got a little left in me

I ain't finished yet, I ain't got a little left in me

I ain't got a scab that I can't stop picking  
Things that I thought I'd forgotten  
And now I'm racing back to where I came from, I got nothing to show  
What shaking, a complication

I thought by now I'd be  
I'd be hanging out with the top banana  
Executive access to upper classes  
Run and get me some of them big sunglasses

I thought by now  
I'd be  
I'd be hanging out  
With the top banana  
Executive access to upper classes  
Run and get me some of them big sunglasses
