

It Hurts So Good

Modern Talking

I watched the stars oh one by one
Why you left me so alone
Oh, why, oh why, you break my heart
I watched the stars, I think of you
Oh, I'm just the biggest fool
Oh, why I let you break apart
Oh, why, oh why, you break my heart It hurt's so good, to be in love
You are the girl, I'm living for
It hurts so good, to be in love
Oh, I need you more and more
It hurts so good, you're in my heart
I love you more and more each day
It hurts so good, let's try a start
Oh, baby come what may
You are with me, where I belong
My heart can't get enough What's good for me is good for you
Oh, I'll never make you blue
Oh, why, oh why you break my heart
From coast to coast and sky to sky
Oh, there is no reason why
Oh, why I let you break apart
Oh, why, oh why, you break my heart
