In Your Presence

Ever Stays Red

In Your PresenceEvery time I lift my hands
Every time I close my eyes
Every time I enter in
Your glory fills this place oh Lord
And I am takenCause in Your presence flowers bloom
My spirit floods, I'm made anew
Your beauty reigns from the sky
Cleanse my heart and touch my mind
And from Your throne Your glory flows
This peace, it feels my soul
And I hush
As I see Your love unfold
As I see Your love unfold
As I see Your loveI will stand and not grow weary
I will run and will not faint
Your rod and staff they guide me
Your love restores my soul
Your love restores my soul
God, You restore meCause in Your presence flowers bloom
My spirit floods, I'm made anew
Your beauty reigns from the sky
Cleanse my heart and touch my mind
Cause in Your presence flowers bloom
My spirit floods, I'm made anew
Your beauty reigns from the sky
Cleanse my heart and touch my mind
And from Your throne Your glory flows
This peace, it feels my soul
And I hush
As I see Your love unfold
