Sunny Day Real Estate

Swallow whole lose myself in you
Take a chance, take a chance with mePoured out in wine, chance to run away
Take a breath, take a breath same signHair of gold swims through caught in my mind
Painted picture prize, jewels on a crown
Poisoned wine, I fall to the floor
Caught a glimpse of truthSwallow whole lose myself in you
Take a breath, take a breath same signHair of gold swims through caught in my mind
Painted picture prize, jewels on a crown
Poisoned wine, I fall to the floor
Caught a glimpse of truthHair of gold
Hair of gold
