

Sunny Day Real Estate

Swallow whole lose myself in you
 Take a chance, take a chance with me Poured out in wine, chance to run away
 Take a breath, take a breath same sign Hair of gold swims through caught in my mind
 Painted picture prize, jewels on a crown
 Poisoned wine, I fall to the floor
 Caught a glimpse of truth Swallow whole lose myself in you
 Take a breath, take a breath same sign Hair of gold swims through caught in my mind
 Painted picture prize, jewels on a crown
 Poisoned wine, I fall to the floor
 Caught a glimpse of truth Hair of gold
 Hair of gold
