

Everything Changes (Live At Hiro Ballroom)

Staind

If you just walked away
What could I really say?
Would it matter anyway?
Would it change how you feel? I am the mess you chose
The closet you can not close
The devil in you, I suppose
'Cause the wounds never heal But everything changes if I could
Turn back the years if you could
Learn to forgive me
Then I could learn to feel Sometimes the things I say
In moments of disarray
Succumbing to the games we play
To make sure that it's real And everything changes if I could
Turn back the years if you could
Learn to forgive me
Then I could learn to feel When it's just me and you
Who knows what we could do?
If we can just make it through
The toughest part of the day But everything changes if I could
Turn back the years if you could
Learn to forgive me
Then I could learn how to feel Then we could stay here together
And we could conquer the world
If we could say that forever
Is more than just a word If you just walked away
What could I really say?
And would it matter anyway?
It wouldn't change how you feel
