

A Dixie Cup to Save You

Sonder

If I told you take me home
Would you let me fall asleep?

If I told you what goes on
Up here you would lose your feet

If I could turn you heart into
A new one would you ask me to
Fix you up with a Dixie Cup To Save You?

If I told you take me home
Would you let me fall asleep?

If I told you what goes on
Up here you would lose your feet

If I could turn you heart into
A new one would you ask me to
Fix you up with a Dixie Cup To Save You?

Step inside who's new in line?
Who's new in line?
Who's new in line?

Step inside who's new in line?
Who's new in line?
Who's new in line?

Step inside who's new in line?
Who's new in line?
Who's new in line?
