

United State of Mine

The Baseballs

Blind by the lights when the music died and the show was done
The room was a crowd but it felt like we were the only ones
Where have you been hiding? You're love providing,

Chorus:

Now I'm all out of time, I'm all out off time
To know that you were mine, know that you were mine
Cause when I realized you left me for America
Now I'm all out of tune, I'm all out of key,
The day I realized you left me for America,
I wake up in the evening and
I reach for your hand in my bed
I try to figure out why your side is made and cold instead,
I wish that you confided, and not try to hide it,

(Chorus)

And all the words you said are empty now,
Just like my dreams,
they come back to hunt me,
and if our paths cross once again my dear,
I'll be hanging on, til I see you,

(Chorus x2)

For America (x3)
