

# Hijacking

## Steel Pulse

Hijacking, no skylarking  
Hijacking, no skylarking A journey 'cross the ocean far and wide  
All jet setters want to see the other side  
Only Jah know there's a hijacker on board  
Or any dynamite in the cargo down below  
To be a hostage, I say, "Sure, can't be much fun  
And the next you're held for ransom" Hijacking, a we don't want no  
No skylarking, no no no no no no  
Hijacking, a we don't want no  
No skylarking, you've just got to beware Freeze, stick 'em up, put your hands in the air  
These are the words that I dread to hear  
Hijack, almost everywhere  
Hostage here, hostage there Held up for ransom running scared  
How much can the people bear?  
Those who travel by sea or air  
Life's a booby trap, so you better beware You better beware  
It's a booby trap, so you better beware  
Hijack, skyjack  
Sit down, Mac, stick up, Jack A flight of terror  
Can't be no fun, no  
A flight of terror  
Can't be no no Hijacking, a we don't want no  
No skylarking, no no no no no no  
Hijacking, a we don't want no  
No skylarking, you've just got to beware Hijacking, I need some fun  
You got me on the run  
No skylarking, no  
Give me no more hijack Hijacking, I need some fun  
You got me on the run  
No skylarking A flight of terror  
Can't be no fun, no  
A flight of terror  
Can't be no no Hijacking, we don't want no  
No skylarking, we don't, no  
Hijacking, no no no no no  
No skylarking, want no more Hijacking, we don't want no  
We don't want no
