Over & Over

Sarah Blasko

Keeping time don't matter
as much as the feeling,
So break the rules,
It'll all make sense if you mean it.
Shout it out loud,
travel north and south
just to prove it.
Speak it with your voice,
you don't really have a choice,
but to use it.
Say it over & over
and over again.
Say it over & over
so not to forget
Till you understand.
Words they don't mean much,
without some action,
and they just don't hold up,
without compassion.
Shout it out loud,
travel north and south,
just to claim it.
Say it with your voice,
you don't really have a choice,
but to use it.
Say it over & over
and over again.
Say it over & over
so not to forget.
Till you understand.
Say it over & over
and over again.
Say it over & over
so not to forget.
Till you understand.
Say it over & over
and over again.
Say it over & over
so not to forget.

Till you understand.
It's better for a way,
but it's growing day by day
and it's alright, baby it's alright.
They can tell you what to do,
but they'll make a fool of you,
but it's alright, baby it's alright.
