

# Fallin' out of Love With You

Catherine Britt

You say, I love you  
And like so many times before  
I say, I love you, too  
But I don't feel it anymore  
It's just so hard to do  
This falling out of love with you Oh, I know you can see it  
When you look into my eyes  
'Cause I've never been too good  
At telling you a lie  
And it's just so hard to do  
This falling out of love with you And I can't go on faking this love that we ain't making  
You deserve to have someone who loves you too  
No, I could go on lying but what ain't dead is slowly dying  
And the only thing that's left is hurting you Well, I wanna tell you  
What you don't wanna hear  
But I can't stand to tell you  
What I know is your worst fear  
And it's just so hard to do  
This falling out of love with you But I can't go on faking this love that we ain't making  
You deserve to have someone who loves you too  
No, I could go on lying but what ain't dead is slowly dying  
And the only thing that's left is hurting you You say, I love you  
And like so many times before  
I say, I love you, too  
But I don't feel it anymore  
And it's just so hard to do  
This falling out of love with you Oh, it's just so hard to do  
This falling out of love with you
