Bartering Lines (Live In Brighton)

Ryan Adams

[Chorus]
Hold me up, hold me down
Leave me in the withering pines
Steal my love, steal my kisses
Take 'em to the bartering linesTen cents up, two bucks down
Ship it out and turn it into fuel
Three bucks shy
Leave it on the table till somebody else with money's got a useSpinning so hard
I can't stand
Shadow of a shadowy man
Hold me up, hold my hand
The treasures that she misses make the manTen cents up, two bucks down
Ship it out and turn it into fuel
Three bucks shy
Leave it on the table till somebody else with money's got a useSo hold me up, tie me down
Leave me in the withering pines
Steal my love, steal my kisses
'valuate the differences in lifeTen cents up, two bucks down
Ship it out and turn it into fuel
Three bucks shy
Leave it on the table till somebody else with money's got a use[Chorus]
