

This Masquerade

The Gene Harris Quartet

Check it out

Are we really happy here with this lonely game we play?

Searching for words to say

Searching but not finding out here, we're standing anyway

We're lost, here in this mask, this masquerade

We're both afraid to say we're not too far away

No, no, no, from being close together from the start

We try to talk it over, but the words got in the way

We're lost inside this lonely game we play

Thoughts of leaving disappears, every time I see your eyes

No matter how hard I try, try

To understand the reasons that we carry on this way

We're lost here in this mask, masquerade

Masquerade, mask, masquerade

Masquerade, mask, masquerade

Masquerade, mask, masquerade

Masquerade, mask, masquerade

Masquerade, mask, masquerade

Masquerade, mask, masquerade

Masquerade, mask, masquerade
